Honor your Student in the Les Mis Program**

Show your favorite performer, musician, singer, sound or light specialist, act or director just how proud you are of their part in Roncalli's production of "Les Miserables." Sponsor Roncalli Fine Arts, and the person of your choice will be acknowledged in the show program. You can provide camera ready art and a message or we will help you design it.

By March 7, 2012, submit this completed form with sponsorship donation and any art and message to the Roncalli office. If you submit no art and message we will contact you to plan your acknowledgment.
