

## Eck Scholarship

### Eligibility:

Graduating high school seniors, planning to attend a college or university in Wisconsin, who have maintained a minimum cumulative 3.0 GPA. Special consideration will be given to those majoring in the engineering sciences. Priority will be given to children of employees of Eck Industries who attend school in one of the following Manitowoc County High School: Mishicot HS (Mishicot), Washington HS (Two Rivers), Valders HS (Valders), Manitowoc Lutheran HS (Manitowoc), Roncalli HS (Manitowoc), Lincoln HS (Manitowoc), Reedsville HS (Reedsville), and Kiel HS (Kiel).

*If no eligible recipients are available from among children of employees, scholarship may be given to eligible graduates of non-employee families who are residents of Manitowoc County and meet the scholarship criteria.*

### Award Amount:

Three non-renewable \$2,000 scholarship awards

### Selection:

Recipients are selected each spring by the Eck Scholarship Selection Committee. Selection will be based on academic achievement with participation in extracurricular activities a secondary consideration. All applicants must have achieved a minimum cumulative GPA of 3.0.

*The selection committee operates with a degree of flexibility. The preference is to award the scholarship to a student who intends to major in the engineering sciences, but this intended major is not mandatory. While most recipients are seniors in high school entering the first year of college, the committee is receptive to offering a scholarship to a student already in college.*

### Payment Procedure:

Scholarship payments will be released upon submission of the following to the Community Foundation for the Fox Valley Region: completed scholarship verification form (located on our website) and verification of full time student status (class list with credits listed). After approval of submitted documentation, the scholarship check will be paid directly to the school for the first semester of the freshman year of college. This scholarship cannot be deferred. Most communications between the Community Foundation and the student will be via email. *Please keep us advised of your current email address.*

### Loss of Eligibility:

Failure to register as full time student for the first semester of freshman year of college.
