## BRING YOUR OWN DEVICE (BYOD) WAIVER FOR PERSONAL ELECTRONIC PROPERTY

The purpose of this agreement is to establish rules and requirements that must be met by all students/faculty/staff/guests who bring personal electronic devices and/or connect to the wireless network. The following standards will ensure that the wireless network is not negatively impacted and that all resident systems remain secure and intact. **The privilege of connecting to our wireless network is provided for the purpose of educating students and conducting school business.**

I understand that this device is my personal property and not the property of the school. As such, I understand that Roncalli High School can assume no responsibility for this device and will be held blameless in the event of theft, damage or loss. Furthermore, I understand that “technical” support will be limited to the provision of the wireless network password for internet access and that all other support needs are my own responsibility.

I understand that responsibility for the care of the device AND my behavior while using this device belongs solely to me.

Use of personal devices on school grounds and/or access to the wireless network is contingent upon prudent and responsible use. More specifically the undersigned agrees to:

- Avoid the knowing or inadvertent spread of computer viruses and to maintain approved and functioning anti-virus software with up-to-date virus definitions.
- Maintain a “clean” computer while connected to the network; do not download software; do not open web mail, files, or macros attached to an e-mail from an unknown source or execute unknown applications.
- Not deliberately degrade the performance of the data network. Any activity with the intention to create and/or distribute malicious programs into the wireless network (e.g. viruses, worms, Trojan horses, e-mail bombs, etc.) is prohibited.

*Roncalli High School is a Christian learning community  
educating the whole person in the Catholic tradition,  
emphasizing academic and spiritual growth.*

- Abide by Roncalli High School's *Wireless Network User Rules and Use of Technology*, which prohibits the use of the Roncalli High School's wireless network for illegal, inappropriate or unethical purposes. It is in violation of this agreement to: 1) access, upload, download or distribute inappropriate material; 2) transmit obscene, abusive or inappropriate language; 3) violate any local, State or Federal statute; 4) vandalize, damage, or disable the property of another person or organization; 5) access another person's materials, information or files without the implied or direct permission of that person; 6) violate copyright, or otherwise use another person's intellectual property without their prior approval or proper citation.

I acknowledge and understand the above information concerning the appropriate use of computers while connected to the wireless network. I understand this agreement will be kept on file at Roncalli High School where the personal device will be utilized.

As a user of Roncalli High School's wireless network, I agree to comply with the above stated requirements and to use the network in a constructive manner. I am prepared to be held accountable for my actions. I understand that any violations of this agreement may result in one or more of the following:

- cancellation of use of access privileges
- payments for damages and repairs
- disciplinary action and/or civil or criminal liability under other applicable laws

In exchange for connecting my personal electronic device to Roncalli High School's wireless network, I knowingly and willingly convey all legal rights and privileges to any and all information and/or material stored in the device to the administration, or the administration's designee, and grant him/her the same access to the information and/or material as with any electronic device owned by Roncalli High School.
