Scholarship Program

Kewaunee Area Scholarships, Inc. (KASI) is a local volunteer organization designed to help students complete post-secondary education. Established in 1981, scholarships are awarded from tax-deductible contributions from many individual citizens, businesses, industries, trusts, and various organizations to provide assistance for deserving students.

While college costs continue to rise dramatically, Kewaunee Area Scholarships, Inc. maintains a minimal administrative cost because of the many people in the community who donate their time and materials.

Current year high school graduates, whose parents or legal guardians are residents of the Kewaunee School District, are eligible to participate in the Kewaunee Area Scholarships, Inc. program. It is our mission to promote the Kewaunee School District. To that end, we reserve the right to refuse or accept any application for scholarship.

Scholarship Guidelines

1. The program is designed primarily to encourage and assist worthy students of this area to further their educational opportunities.

2. Applicants are selected on the basis of the following criteria:
   a. Academic performance or evidence of outstanding vocational ability. (i.e. class rank, ACT scores, and rigor of coursework.)
   b. High school and community extra-curricular activities.
   c. Personal essay regarding educational objectives and career goals (i.e. grammar, content, depth, insight).

   NOTE: Each criterion is weighted equally and scored on a 4-point rubric scale.

3. Application forms should be neat, legible and complete.

4. The scholarships may be utilized for full time enrollment to an accredited four-year degree granting college or university, state accredited technical college, or farm short course.

5. Applications will be available from the high school counselor, or the Kewaunee School District website.

6. The scholarship awards will vary in amounts based on information provided in guideline #2. Applicants are strongly encouraged to put forth the maximum effort on the application!

7. All information is strictly confidential. An impartial screening committee will make all selections.

8. Scholarship awards will be announced on Senior Awards Night scheduled for May 24, 2017.

9. The distribution of scholarship money will occur after the first semester (freshmen year) and third semester (sophomore year) of college/technical college. The exception would be for those one-year technical college programs, in which the distribution would occur after the first and second semesters. The recipient shall provide proof of registration from the institution, along with a grade report and/or transcript from the completed semester(s).

10. Information is mailed to KASI, PO Box 34, Kewaunee, WI, 54216. The treasurer will then send a check to the recipient. All scholarship money must be claimed within three years of high school graduation.
